Note You can download a free 30-day trial of Photoshop at `www.adobe.com/us/photoshop/`, and there's also a Photoshop Tutorial Browser for Windows at `www.hoboesoft.com/download/photoshop\_tutorial\_browser`. ## The Bridge Collection Photoshop CS6 gives you access to several photo management, drawing, and other tools that are only available in Photoshop or Adobe's other software applications such as Illustrator and PhotoShop. Photoshop CS6 includes a new .Bridge\_ feature that provides a central place for everything that's not a Photoshop document (see Figure 2-2). It's a folder containing standard and other digital image files. This central library is seen in Figure 2-2 and it can be used for storing and organizing images. Figure 2-2. The Mac Bridge collection is used for storing and organizing images, and now includes an additional search capability. The bridge feature can hold everything from just a few pictures, as shown in Figure 2-3, to the contents of entire hard drives. You can create collections by name or by program and you can tag image files by name, where to place them, or by the name of a particular program.
